

# KEYSTONE AT MEADOW WOODS

## June 2018 Newsletter

### ***DWD Professional Management Office - Changing Location***

Please be advised that the DWD Professional Management offices will have limited availability at our Kissimmee location (1101 Miranda Lane, Suite 112, Kissimmee 34741) from Monday, June 25<sup>th</sup> through Tuesday, July 3<sup>rd</sup> due to the movement of our main office to a new location – **9419 Tradeport Drive, Orlando 32827**. Our offices will also be completely closed on Wednesday, July 4<sup>th</sup> in observance of the 4<sup>th</sup> of July holiday. On Thursday, July 5<sup>th</sup> we will reopen at our new location in Orlando.

**From Monday, June 25<sup>th</sup> through Tuesday, July 3<sup>rd</sup>**, the administrative staff will only be able to process payments, create work orders for maintenance issues, accept Architectural

Review Board applications, and provide parking permits and pool keys. All other issues will be addressed after our reopening at our new Orlando location on Thursday, July 5<sup>th</sup>.

The Kissimmee office will remain open until the end of this year for processing payments and providing parking permits and pool keys only. Residents will need to visit the new office in Orlando for any other request.

**Please remember that if you would like to speak to a community manager at either location, you will need to call the office first to make an appointment.** The office hours for both locations will be as follows:

**Kissimmee Office:**  
Monday – Thursday: 9 AM – 1 PM (Walk-ins); 1 PM – 5 PM (By Appointment Only)

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, [www.keystoneatmeadowwoodshoa.com](http://www.keystoneatmeadowwoodshoa.com). Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

**Orlando Office:**

Monday – Friday: 9 AM – 5 PM

Our office and fax numbers will remain the same: **Phone** 407-251-2200; **Fax** 800-759-1820. You also may always reach us by email at [info@dwdpm.com](mailto:info@dwdpm.com).

We look forward to seeing everyone at our new office location next month. Please feel free to contact us if you have any questions or concerns.

## *Water Use*

---

Please be aware that even though each individual unit does not get a water bill, someone does pay for the water. Many times, new people move into the community and they do not realize that the Association pays a large bill every month for the water used in every unit.

In order to keep this bill as low as possible, we need to reiterate to all current residents that the water is not free, and it is not an unlimited resource.

Please do not use more than your share. Please do not invite your friends over to wash their cars, or to do any other water intensive activities at Keystone. If the Board does find out that someone is wasting the community's water, they have asked that the violator be fined and that all legal means are used to collect the money from these residents. We greatly appreciate your cooperation in this matter. If you have any questions or concerns regarding water use, please contact the management office.

## *Use of Recycling Containers and Dumpster Use*

---

Keystone at Meadow Woods currently has three locations for recycling within the community. There is a recycling container located at the very end of Corrine (the last dumpster), one located at the corner of Boca Key and Madeira Key, and one located on Boca Key near the bend at the back of the property.

These recycling containers are smaller dumpsters and they are to be used for the following items only: Paper, newspapers, magazines, mail, flattened cardboard, glass bottles, plastic bottles, aluminum cans and metal cans.

The following items **are prohibited** from this container: Bagged and loose garbage, construction waste, Styrofoam, batteries, light bulbs, yard waste, ceramics, window glass, and drinking glasses.

**If any of the prohibited items are placed inside the recycling containers, Waste Management will not be able to recycle the contents of the dumpster. Instead, they will send the garbage truck again for this container and charge the community \$175 for the emptying of the contents. This charge will be assessed to any homeowner or tenant seen putting these prohibited items in the recycling containers.**

In addition, please be aware that the dumpsters throughout the community are there for normal household waste (all other waste that may not be recycled as outlined above). **The dumpsters may NOT be used for the**

disposal of construction materials such as cabinets, tile, paint, etc. It has come to the Board's attention, that contractors and/or residents are using the dumpsters for these types of materials and this is strictly prohibited. If you see anyone dumping these types of materials, please contact the management office immediately. Anyone found using the dumpsters for prohibited material, will be charged for the cost of removing and transporting the material to the County dump. If you have any questions regarding this issue, please contact the management office.

Finally, the community allows the dumping of furniture items in the one dumpster at the end of Boca Key Drive near the conservation area. Please do not place furniture in any other dumpster within the community. **In addition, this furniture dumpster is for residents only.** Therefore, if you notice people who are not residents within the community using this area, please contact the management company. Also, please understand that if this dumpster becomes full over the weekend, the management company will not be able to remove the furniture until the following week. The management company's field crew does not work over the weekends; therefore, the furniture will be moved as soon as possible the following week. Again, if you have any questions regarding the use of this dumpster, please contact the management office.

Thank you for your cooperation and your understanding with this matter.

### ***Parking Permits and Parking Regulations***

---

If your vehicle does not have a proper parking permit for our community, you run the risk of your car being towed. Since November 1, 2011, all vehicles without a proper resident parking permit or a visitor's pass are to be towed **without warning** from the parking lots **at the owner's expense**.

Per the rules of your community, there are only two (2) parking spots per unit. Visitors are to use the designated spaces provided at all times of the day and they **MUST** place a visitor's pass on the rearview mirror when visiting from 12 AM – 6 AM. **Residents should park in resident spaces only.** We ask that you use the spaces that are numbered with your unit's address that are located directly in front of your unit, however, residents may park in ANY resident space. However, residents may NOT park in visitor's spaces. **Residents who park in visitor's spaces are subject to towing.**

If you have more than two cars, you may find additional parking by asking one of your neighbors if they have another parking spot available. Some owners only have one car and they may "donate" a spot to you. These owners are under no obligation to do so. If an owner would like to donate one of their parking spaces to you, we must have their permission in writing. Please contact our office if you need more information. Please be aware that if you do not find another owner to donate a parking spot to you, you must remove the vehicle from the community's parking lot or be subject to towing.

All owners who rent their units must inform their tenants of the requirement to have these parking permits **BEFORE** the tenants move into the unit. Also, if you purchase a new vehicle, please use your visitor's pass temporarily until you can make arrangements with the management company to obtain a new parking permit. Please remember that it is your responsibility to obtain the proper permits for your vehicles. This provides a protection for all homeowners and tenants. We want to keep our parking lots available for only those vehicles that are authorized.

If you need a parking permit, you may obtain the parking permits from our management office. The address is 1101 Miranda Lane, Suite 112, Kissimmee, FL 34741. You will need to bring your driver's license (for each

### ***(Parking Permits and Parking Regulations continued)***

vehicle), your vehicle registration (for each vehicle), and a copy of your lease if you are renting. Parking permits are always free.

In addition, please be aware that your car may also be towed if you do not follow the parking regulations. **The towing company will be patrolling the parking lots looking for the following types of vehicles in violation of the parking regulations:**

- All commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows)
- Vehicles that do not have the proper parking permits. (This includes cars using inactive parking permits - permits that have been designated as inactive since they belong to a previous resident or a car that was sold by a current resident)
- Boats, or any other recreational vehicles
- Trailers
- Vehicles without license plates or with expired license plates
- Vehicles that are parked on the grass
- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space)
- Vehicles parked in front of and/or blocking fire hydrants
- Clearly disabled and inoperable vehicles that have not moved for 72 hours or more

Finally, if your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation**. The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not have a parking permit or visitor's pass or if you violate any other parking rules, you will be towed **at your own expense and will not be reimbursed for any reason**. The towing company's contact information is as follows: Universal Towing and Recovery, 407-816-0102.

### ***Parties at the Pool***

---

If you are planning to have a party at the pool, please call the management office first to schedule and arrange the date and time.

Please be aware that a \$100 deposit is required when scheduling the pool event. This will ensure that the area is cleaned properly. If the pool area is cleaned, the deposit will be returned. If the area is not properly cleaned, the deposit will not be returned and will be used to pay for the cleaning. Please be aware that the pool will still be open for all residents to use. The pool cannot be closed to other residents during a party. Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

### ***Pool Rules***

---

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did not choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

***(Pool Rules continued)***

Also, please be advised that there are cameras located at the pool. Management monitors these cameras daily and also performs inspections at night. The Association will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities. The police will also be called if you are found at the pool after the posted hours. This is considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents.

Next, there is a list of pool rules located in the pool area. During these summer months, please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, ***you may NOT use the pool without a parent or guardian being present.*** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are ***not*** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Finally, if you are going to have a party at the pool, please call management first. Please be aware that there will be a \$100 deposit required in order to ensure the area is cleaned up by the people throwing the party. If the area is cleaned, the deposit will be returned. If the area is not cleaned the deposit will be used to pay for the cleaning. Please be aware that the pool will still be open for all residents to use. The pool cannot be closed during a party.

Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

***Master Policy Insurance Information***

---

If your mortgage lender requires information regarding the Association's master insurance policy, please refer them to our insurance company, Academy Insurance Agency. Your lender may reach Academy by phone at 941-758-4600, by fax at 941-751-9232, or by email at [w.mahler@academyins.net](mailto:w.mahler@academyins.net).

Please be advised that the master insurance policy ***does not cover*** the inside of your unit. You should carry insurance to cover all items not covered by the master insurance policy. Please contact Academy Insurance Agency if you have any questions about what the master insurance policy covers for the community.

***Please Drive Safely***

---

It has been observed that some of the residents and many visitors are driving way too fast in the community. The posted speed limit in the community is 10 miles per hour. Anyone caught speeding may be fined by the Board for their activities.

Also, please be aware that residents have expressed their concern for the speeding because many children walk in the parking lots. We are all concerned about the safety of the children. Thank you for your understanding concerning these issues.

***No Trash or Storage of Items on Patios***

---

It has come to the Board's attention that many people are storing items on their rear patios or front door areas. This is not allowed per the Community rules.

***(No Trash or Storage of Items on Patios continued)***

The front door areas are to remain free of any furniture, trash, garbage bags or children's toys. Please be aware that these areas are under the Architectural Control of the Association. Any items placed in the front door area without an approved Architectural Review, can be removed by the Association and a removal fee may be added to your account.

The back-patio area, even if is covered with a screen enclosure may **not** be used for storage. The only thing that may be placed in a screen enclosure room is patio furniture items. If the patio is not enclosed by a screen enclosure, you may also have a grill or a fire pit.

These areas are not meant for the storage of boxes, trash, used car parts, old tires, broken electronics, or anything else other than the items mentioned above. We will be conducting an inspection of the property soon. If your front door area or back patio is currently being used for storage, you will receive a violation notice and then you will have until the end of the month to remove these items. If the items are not removed, the Association may remove these items for you at your expense. Thank you for your understanding concerning this issue. If you have any questions or concerns, please contact the management company.

***Wild Animals***

---

Please note that many animals call the woods surrounding Keystone home. There are many animals such as birds, rabbits, squirrels and even deer that are harmless and are wonderful to have around the community.

However, on occasion other animals like poisonous snakes or alligators may be spotted from time to time. If you are concerned about a nuisance alligator, please call Florida Fish and Wildlife at 866-FWC-GATOR (866-392-4286).
