New Pool Security System and Pool Keys

In November, Envera Systems will install a new security system at the pool. This will also involve the installation of new gate access and the use of magnetic pool key fobs for gate entry. Envera Systems will send a representative to our community to issue residents their new key fob for amenity access.

In order to pick up your key fob, please attend one of the meetings scheduled on **Wednesday, November 7, 2018 and Thursday, November 8, 2018 from 6:00-8:00 PM at the community pool.**

Each household is eligible to receive 1 key fob at no charge if you currently have a pool key. If you do not already have a pool key, a key fob may be purchased for \$20.00 at the meeting.

Accepted methods of payment are exact cash, check, or money order made payable to Keystone at Meadow Woods HOA.

Please bring the following with you to be issued your key fob:

Owners: You must bring a photo ID.

Renters: You must bring a photo ID and a copy of your current lease agreement.

Also, to receive a key fob free of charge, please bring your current pool key to exchange for a new one.

Please be advised that our towing company, **Universal Towing and Recovery**, has moved from their previous location. The towing company's contact information is as follows: **Universal Towing and Recovery, 407-816-0102, 206 6th Street, Lot 300 Orlando, Florida 32824.**

Halloween Trick-or-Treating Guidelines

We look forward to a wonderful night of trick-or-treating this evening in our community. Please use the following guidelines for trick-or-treating within the community:

1. Please turn on your front porch light if you would like trick-or-treaters to visit your home. Keep your front porch light off if you are not participating.
2. Please be aware of trick-or-treaters as you drive through the neighborhood.
3. Please stay in groups while trick-or-treating and make sure you are visible to drivers. Flashlights are a good idea for this purpose or reflective clothing.
4. Parents please supervise your children and ensure that they stay safe. Always check your children's candy at the end of the evening to ensure that it is safe for them to enjoy.
5. Please try to limit your trick-or-treating between the hours of 6-9 PM. Since this is a school/work night, we all need to get up as usual on Thursday morning.
6. Have fun and happy trick-or-treating!

Parking Permits and Parking Regulations

If your vehicle does not have a proper parking permit for our community, you run the risk of your car being towed. Since November 1, 2011, all vehicles without a proper resident parking permit or a visitor's pass are to be towed **without warning** from the parking lots **at the owner's expense**.

Per the rules of your community, there are only two (2) parking spots per unit. Visitors are to use the designated spaces provided at all times of the day and they **MUST** place a visitor's pass on the rearview mirror when visiting from 12 AM – 6 AM. **Residents should park in resident spaces only**. We ask that you use the spaces that are numbered with your unit's address that are located directly in front of your unit, however, residents may park in ANY resident space. However, residents may NOT park in visitor's spaces. **Residents who park in visitor's spaces are subject to towing**.

If you have more than two cars, you may find additional parking by asking one of your neighbors if they have another parking spot available. Some owners only have one car and they may "donate" a spot to you. These owners are under no obligation to do so. If an owner would like to donate one of their parking spaces to you, we must have their permission in writing. Please contact our office if you need more information. Please be aware that if you do not find another owner to donate a parking spot to you, you must remove the vehicle from the community's parking lot or be subject to towing.

(Parking Permits and Parking Regulations continued)

All owners who rent their units must inform their tenants of the requirement to have these parking permits **BEFORE** the tenants move into the unit. Also, if you purchase a new vehicle, please use your visitor's pass temporarily until you can make arrangements with the management company to obtain a new parking permit. Please remember that it is your responsibility to obtain the proper permits for your vehicles. This provides a protection for all homeowners and tenants. We want to keep our parking lots available for only those vehicles that are authorized.

If you need a parking permit, you may obtain the parking permits from our management office. The address is 9419 Tradeport Drive, Orlando, FL 32827. You will need to bring your driver's license (for each vehicle), your vehicle registration (for each vehicle), and a copy of your lease if you are renting. Parking permits are always free.

In addition, please be aware that your car may also be towed if you do not follow the parking regulations. **The towing company will be patrolling the parking lots looking for the following types of vehicles in violation of the parking regulations:**

- All commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows)
- Vehicles that do not have the proper parking permits. (This includes cars using inactive parking permits - permits that have been designated as inactive since they belong to a previous resident or a car that was sold by a current resident)
- Boats, or any other recreational vehicles
- Trailers
- Vehicles without license plates or with expired license plates
- Vehicles that are parked on the grass
- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space)
- Vehicles parked in front of and/or blocking fire hydrants
- Clearly disabled and inoperable vehicles that have not moved for 72 hours or more

Finally, if your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation**. The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not have a parking permit or visitor's pass or if you violate any other parking rules, you will be towed **at your own expense** and **will not be reimbursed for any reason**. The towing company's contact information is as follows: Universal Towing and Recovery, 407-816-0102.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did not choose this time**. The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Finally, once the installation of the Envera Security system is complete, the pool area will be monitored by Envera Security from dusk until dawn. Therefore, anyone found at the pool from dusk to dawn will be asked to leave by Envera Security. Envera will call the Orange County Sheriff's Department if necessary for anyone in violation of the dusk to dawn requirement. Using the pool during these hours is considered

(Pool Rules continued)

trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents. If you have any additional concerns or questions regarding this issue, please contact the management office.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, ***you may NOT use the pool without a parent or guardian being present.*** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are ***not*** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Finally, if you are going to have a party at the pool, please call management first. Please be aware that there will be a \$100 deposit required in order to ensure the area is cleaned up by the people throwing the party. If the area is cleaned, the deposit will be returned. If the area is not cleaned the deposit will be used to pay for the cleaning. Please be aware that the pool will still be open for all residents to use. The pool cannot be closed during a party. Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Master Policy Insurance Information

If your mortgage lender requires information regarding the Association's master insurance policy, please refer them to our insurance company, Academy Insurance Agency. Your lender may reach Academy by phone at 941-758-4600, by fax at 941-751-9232, or by email at w.mahler@academyins.net.

Please be advised that the master insurance policy **does not cover** the inside of your unit. You should carry insurance to cover all items not covered by the master insurance policy. Please contact Academy Insurance Agency if you have any questions about what the master insurance policy covers for the community.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass, people with water balloons in the pool area, etc.), please call DWD Professional Management to address these concerns. Thank you.

Please Drive Safely

It has been observed that some of the residents and many visitors are driving way too fast in the community. The posted speed limit in the community is 10 miles per hour. Anyone caught speeding may be fined by the Board for their activities.

Also, please be aware that residents have expressed their concern for the speeding because many children walk in the parking lots. We are all concerned about the safety of the children. Thank you for your understanding concerning these issues.

Please Secure Valuable Items

Please make sure your cars are locked at night, and that all valuables that do not have to be in your car are removed on a nightly basis. If you notice anyone suspicious within the community, please call the Orange County Sheriff's Department at (407) 836-4357. Thank you.

Cables, Satellite Dishes, and Holiday Lights/Decorations on the Roofs or Buildings

Please be aware that the roofs and the exterior walls of the buildings belong to the Association. You may not attach cables, satellite dishes, or any other attachments to the walls or the roof of your unit. Since the holidays are approaching, this includes the placement of holiday lights and decorations on the fascia or any other section of the roof or the buildings. **Holiday lights and decorations may only be attached to your windows and doors.**

All satellite dishes must be placed on poles in the ground and may not be installed on the roofs. The reason for this is simple. All dishes will need holes drilled into the roof or wall to be mounted. These holes will allow water into the buildings, causing damage that must be fixed.

Next, please do not have your cable or satellite installer run cables over the roofs of the building. Running these cables damages the roof shingles. This will once again allow water into the building causing damage. Finally, do not install any other attachments to the building. Doing so damages the structural integrity of the buildings and could cause issues with our master insurance coverage.

If you currently have a satellite dish mounted on the roof or the side of a building or if you have any cables or other attachments, **please remove them or have them removed immediately.** Failure to comply with this request may result in the Association removing these items for you. In addition, any damages caused by these attachments to the building or roof will be at the owner's expense. Thank you for your cooperation in this matter.

Association Payments and Bank Information

It has come to the attention of management that a few owners may have questions in regards to payments made directly to the Association's bank, Center State. If you have received your payment booklet, you have several options on how to pay your Association dues.

First, you may mail your payment to the address listed in your payment booklet (P.O. Box 22184, Tampa, FL 33622-2184). If you do, your payment will go directly to Center State Bank. The date the bank indicates that your payment was processed or "received" is the date that is electronically forwarded to the management

(Association Payments and Bank Information continued)

company and that is recorded in your account history. Management does not control when the payment is processed by the bank. Therefore, management cannot change the date when the payment was received. Please allow several business days for these payments to be processed in order to avoid the application of late fees.

Second, you may make your payment on-line at <https://epay.centerstatebank.com//find>. You will need your payment booklet which includes your Management Company ID (DWDP), Association ID (012), and Homeowner Number (this is your account number). Please be advised that Center State will charge a fee for processing credit and debit card payments on-line. However, the fee is the bank's processing fee, and does not go to the management company or to the Association.

Finally, you may set up direct debit with Center State by either following the instructions in your payment booklet. You will send the application form and a voided check directly to our office for processing (9419 Tradeport Drive, Orlando, FL 32827). Once we process your application, the bank will automatically withdraw your monthly assessment on the 5th of each month. If you have previously set-up automatic draft with Center State Bank, you do not need to send in a new application to continue this service.

However, if you would prefer not to make your payments through Center State Bank, you may either mail in or drop off your payments directly to **our office which is located at 9419 Tradeport Drive, Orlando, FL 32827**. We will take your payments with or without the coupon, and you will receive a receipt with the date the payment was received upon request. The management company's hours of operation are Monday through Friday, 9:00 AM to 5:00 PM. If you have any questions regarding these payment procedures, please feel free to contact us by phone at 407-251-2200 or by e-mail at info@dwdpm.com.

Use of Gas and Charcoal Grills

Please be advised that the use of gas and charcoal grills in multi-family housing such as Keystone is strictly regulated by the County and the Association. These grills may not under any circumstances be used in the units, in the parking areas, or on any of the porches or patios within 10 feet of the building. Their use is restricted to the open areas of the Association, at least 10 feet away from the buildings and any other flammable structure. Your cooperation regarding this matter and the safety of the community is greatly appreciated.

Please Pick-up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well.

The Association has installed several doggy stations throughout the community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Envera Systems will secure & protect Keystone at Meadow Woods
